WHAT INFORMATION WILL I FIND?
- Authors: biographies of thousands of authors from around the world, browsable by nationality, type of writing, or time periods ranging from ancient to modern
- Works: overviews, synopses, analyses, and literary criticism on thousands of works—from poetry to plays—browsable by genre and time period or alphabetically
- Topics and Themes: in-depth articles on literary movements, literary groups, magazines and newspapers, and historical events that help place literature in context, as well as definitions of literary terms
- Timeline: entries on births, deaths, publications, and events in world literature from the ancient era to modern day
- Characters: information on more than 38,000 major and minor literary characters, including where they first appeared, what part they played in the plot, and how they are related to other literary characters
- Harold Bloom's Western Literary Canon: Professor Bloom's selections of the major works of Western literature through the modern era.
